Note: All appointments are subject to probity checks

Background

Last year, Council resolved to agree in principle to develop a management structure for the Wangaratta saleyards which would be a Council owned entity, to ensure the facility has the flexibility to maximise its full commercial potential. The Constitution of the new company provides for the appointment of between three and seven Directors.

Expressions of interest for the positions of Director were received from seven individuals.

All candidates were interviewed by the Mayor, the Chief Executive Officer and the Director Development Services. The preferred candidates demonstrated the requisite skills, knowledge and experience of a Board Director and were able to speak to their vision for the Wangaratta Livestock Exchange. Summary details of the five recommended candidates are listed in the confidential attachment.

Implications**Policy Considerations**

There are no specific Council policies or strategies that relate to this report.

Financial/Economic Implications

Officers have previously advised Council estimated legal and incorporation costs for 2017/18 of \$60,000. This amount is included in the 2017/18 revised budget.

Other costs, including capitalising the entity, have been allowed for in the 2017/18 budget.

Legal/Statutory

Council must meet the provisions of the *Corporations Act 2001* and the entrepreneurial powers provisions established under section 193 of the *Local Government Act 1989*.

From a legal perspective key documents are the Company's Constitution and the Management Services Agreement between Council and the Company, both of which have been prepared.

Social

The incorporation of the Wangaratta Saleyards will assist in securing the long-term viability of livestock exchange within the Wangaratta municipality. This will provide all stakeholders involved with a place to congregate, socialise and do business.

Environmental/Sustainability Impacts

There are no environmental/ sustainability impacts identified for this subject of this report.

2017 – 2021 Council Plan

This report supports the 2017-2021 Council Plan:

Goal

We are Established

Our saleyards will be managed in an appropriate structure to ensure business growth and longevity

Risk Management

A risk assessment was undertaken by Pitcher Partners and considered by Council at a special meeting in January 2018.

Consultation/Communication

Officers believe that appropriate consultation has occurred and the matter is now ready for Council consideration.

Options for Consideration

Option 1 Appoint the preferred candidates as outlined in this paper. Recommended.

Option 2 Re-open the process for expressing interest in the Director position and conduct further interviews. Not recommended as this will create an additional risk to the establishment of the company due to uncertainty, and a perceived lack of confidence in some Directors.

Conclusion

A thorough recruitment and assessment process has been conducted. In order to meet the timeframe for incorporating the Wangaratta Livestock Exchange, the Directors should now be appointed.
